

LETTER OF APPRECIATION

Letter of appreciation to United European Gastroenterology and Gastroenterology Foundation Munich for the financial, moral and material support

On behalf of all of us colleagues from Muhimbili University of Health and Allied Services/Muhimbili National Hospital in Dar es Salaam/Tanzania, we would like to express our sincere gratitude and appreciation to the United European Gastroenterology its chairperson and council, organizing committee, members and all participants in one way or the other have made us to attend and witness this international congress conference/workshop. We thank Prof. Classen in particular who has worked tirelessly to motivate and find us financial and material supports so that we are able to attend such an exciting and truly teaching conference to all of us who at the starting stage and an exchange of expertise among yourselves who are working at an advanced stage.

It is not an easy thing for people to offer such an opportunity you gave us, you awarded us 1000 EUR (by UEG) award as international scholarship and free registration and also providing us 500 EUR (by GE Foundation Munich) as up keep money for our stay, this is something special and makes us feel very much happy and honored. We learned a lot and give us a big take home message.

We have no much more words to express our sincere thanks and appreciation, we thank you all and expect to keep such a good relationship, support and help that you have given us.

Kindly accept our appreciations

- Dr. Douglas Chamshama.
- Dr. Ewaldo V. Komba.
- Dr. John C. Rwegasha.
- Dr. Mabula D. Mchembe .
